Sir -

I'll be in Raleigh and Durham this week with the Motorola team for the North Carolina roadshow...we have about 115 departments in NC attending.

I wanted to check in with you because we are extending a 30 day trial of the LPR software to the areas PD's.

If you'd like to be included - give me a heads up.

I've included a brochure for you to review, hopefully this helps.

Regards,
Reece Rios
